### Requests for PTO Funding 2017-18

---

Any teacher, parent, or student who has a request for funds from the PTO must fill out this form. Please answer these questions as thoroughly as possible, providing supporting detail and information. When completed, please return to the administration at either school by **Monday, October 23, 2017**.

---

#### 1. Define your request:

I am requesting a GoPro camera, along with accessories, for the Sunset Ridge Learning Center/ Design Studio/Broadcasting Room. This camera would be used for movie making projects in the Learning Center, WSRS news, and for on-the-go movie making. For example, Go Pro cameras would enhance the work of our Service Leagues. We could use this portable, light-weight camera to document field trips and days of service, and we could creatively display the perspectives of our students. These cameras would also be utilized by the athletic teams at various sporting events for perspective-taking and action shots.

#### 2. Amount requested:

\$600, 2 \$199 HERO HD Action Cameras (<https://www.bestbuy.com/site/gopro-hero-hd-waterproof-action-camera/6201946.p?skuld=6201946>), \$50 GoPro Dual Battery, \$9 Head Strap, \$14 Chest Mount, \$15 Hand Grip, \$15 Case, \$10 Tripod Mount, \$50 Spare Battery

#### 3. Can this project be funded in stages? If yes, what timetable is involved? If no, please explain your due date for funds.

This project could be funded in stages if necessary. We could purchase the cameras first, and the equipment and accessories could come at a later date. If at all possible, it would be ideal to purchase everything at the same time.

#### 4. Has this request been reviewed by the school administration? What was their response as to its merit and priority?

Dr. Sukenik approved this request via email.

**5. Number of Students that will be impacted or benefit from your request:**

This request will benefit all of our students at SRS. Students who utilize the Broadcasting Room for any movie making lessons will have the opportunity to try the GoPro cameras. This will also especially benefit our WSRS news crew, the athletics department, and our fine arts.

**6. Is this a one-time request or do you envision needing additional PTO funds in the future or long range? If you will require additional PTO funds, please explain why this cannot be added into your annual budget.**

This is a one-time request.

**7. What is the intended goal of your request? Would it have any other uses or applications? Is this a start up program or is it enhancing an existing program? Use additional paper if needed.**

The intended goal of this request is to encourage our students to think more creatively about perspective in the digital arts. GoPro cameras are not only fun, techy, and future-forward, they encourage us to literally put ourselves in the shoes of unfamiliar experiences. With the GoPro cameras, our students will have the tools to think more creatively about their filmmaking and perspective taking abilities. These cameras can have many possible applications, including movie making projects, "Day in the Life" videos for teachers and students, and Service Leagues projects. This is a start up program, but I am hopeful that the GoPro cameras will be used by many teachers and students this year. I would love to eventually get more than 2 cameras, so that multiple

**8. What are the long range benefits of your request?**

The long range benefits of this request include increased creativity and confidence in the digital arts, high quality and creative video content showcasing our students and staff, and more tech-savvy and future-forward makers. These GoPro cameras will inspire current and future creative minds to push their thinking in new directions.

We will also be able to showcase high quality footage in WSRS news, Service Leagues, and on the Sunset Ridge website.
